

## PRODUCT USE GUIDE FOR HEAVY DUTY POWDER DEGREASANT C6

### Product Description

A yellow unperfumed powder degreasant, suitable for use where food is processed.

### Product Features

- A powerful blend of alkali-phosphates and detergents, giving excellent grease removal.

### Direction for Use

- Dissolve 250g per 5 litres of water for use in tanks to soak fat fryers or equipment with baked on grease.
- Rinse well with clean water.
- Can be dispensed through shaker.
- For general cleaning dissolve the powder in hot water.
- Use 50g per 5 litres to clean greasy floors and canopies.

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the lid is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

### Environmental

- Do not allow large quantities of neat product to enter surface waterways as serious ecological damage may be caused.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- None of the components of this product are animal derived.
